I'm rather pleased with
Hans' nicknames so I'm
going to use them here. Kaka
In order to prohibit this
usage, I read the script
from chapter 1-5. After
reading, I realized that the
art of the beginning is dif-
ferent from the later chap-
ters. At first, everyone looks
on though they're about to
drop off, certainly. I was so
focused on drawing that I
never noticed it.

The Head editor told me "You are very easy to understand." That's right! My health condition is reflected in my original drawings and drafts. If I stay up late, my characters tell to affected too (Thanks or position over Houshi?)

IT'S A
"TERRIBLE"
FOR A GIRL
